## Chat from the Chair:

September 10, 2012

This year we have decided to try and move to a more business approach in our meetings. Starting this month we will be meeting at the Innovation Center in Muncie. This provides us with a business atmosphere with state of the art equipment.

The Innovation Center does not have facilities for meals. Attendees will need to eat either before or after the ASQ Meeting.

We are lining up a very good roster of speakers for this years programs. I hope that the new environment will help us grow the section. As you know we have had a decrease in membership due to the tough economic times we find ourselves in. We would like to have a bigger outreach to business and especially to the college aged professionals.

Please remember that we offer a \$500 scholarship each year. We need help getting the word out about the scholarship and also need help financing it as well.

We could also use help on the leadership committee. If anyone is interested in being on the leadership committee please feel free to attend the leadership committee meetings each month.

Please feel free to email me at [afuller@nwwnet.net](mailto:afuller@nwwnet.net) and let me know how you like the new facility and any ideas you may have to improve the section.

Allen Fuller
